## EDITORIAL

Hello everyone, hope you're all keeping well?

Hopefully spring is just round the corner because I am fed up with this cold weather. Apparently another Beast from the East is on it's way!

Sign up day has been and gone. What a great turn out, thanks to everyone who turned up and dug deep to buy cakes and raffle tickets, we raised a huge amount for our Charity. If you haven't signed up yet, there's still time, so get your form completed and sent across to Carl our current Membership Officer. I actually managed to work my way through quite a few cakes and then a huge plate of food at The Estuary for the Fish and Chip ride. Time for some healthy eating and exercise!

Nice to meet our new members yesterday who you'll be hearing from in next month's edition.

The ride diary is starting rev up, so keep an eye out, but if there is somewhere you think would make a good ride, please speak to one of the Road Crew and they'll try and find a space in the diary.

Also, if you have any ideas for events or would like to write something for the magazine, please do let us know.

A date for your diary. The Christmas Party has been booked for 16th December at the Stifford Hall Hotel. There will be food and drink a plenty with Steve Yuill spinning all your favourite party hits!!

That's all from me for now, but hope to see you all soon.

Sue

## A WORD OR TWO FROM THE DIRECTOR

Flippin' eck...!!! It's March already and the promise of warmer days and salt free roads feels so close. What a busy month we've had. There have been the first rides of the year and a great evening bowling. The majority of the Road Crew went on a First Aid course that was probably the most educational and eye-opening ever. The Committee members are expanding into their roles and have worked really hard to make **Sign-up Day** a smooth and easy process. There was a new venue for sign up at the Belhus Park Golf Club and another new location for **Chapter Natter Night** at 'The Dog & Partridge Pub' on the A128, RM16 3HU (just 5 minutes from Halfway House). They host other Bike Nights and Car Club nights, so hopefully they know exactly what to expect from us. A big thank you to Vince for sorting out both venues. Read on for articles with some photos and a bit more detail for everything I just mentioned.

Many thanks to the members who've volunteered to fill the vacant Committee Offices. We'll be sorting this out as soon as possible. If you want to find out more about this please give me a call or drop me a line anytime.

There are pages advertising Rally's and weekend events. If you want to do any of these it's well worth booking them sooner rather than later.

Congratulations to our Treasurer, Steve Winters and his wife Shilpa, who have been given Honorary Membership by way of thanks and recognition for all his efforts on the Committee and making the Office of Treasurer seem soooo simple (when it's really not).

Have a good March everyone,  
See you all soon I hope.

Cheers  
Phill 'Rainman' Poston  
Director

## HRC AND SAFETY OFFICER

Firstly a huge thank you to those of you that have signed up for another year of fun and adventures with the Chapter that rides. Some Chapters only do the minimum 4 rides a year laid down by H.O.G, not us!!

From this month onwards the Chapter rides and events start get more regular. This month there are a few ride outs including our monthly meet up at the the new venue for Natter Night, The Dog and Partridge on the A128 between the Halfway House and the Orsett Cock roundabouts.

If you aren't aware of it, the crew have put this years diary together and have put together the major events and rides the crew believe the Chapter would like to attend. We need you to make it happen and will be looking for chapter input into what we get up to next year. The only rules are that the ride out needs to be achievable, of general interest and should be either educational/interesting or fun (preferably all). If your idea requires an overnigher this is okay as well. Please send ideas to me by sending an email to [headroadcaptain@lakesidechapter.co.uk](mailto:headroadcaptain@lakesidechapter.co.uk)

I would like to offer a warm welcome to Pam Smart to the crew ranks. Pam will be mentored and brought up to speed with the way we do things. Our road crew are of vital importance to the Chapter and offer up their time voluntarily to ensure our ride outs are conducted to the highest standard. Almost all the crew are First Aid trained and hold a current certificate.

Hopefully the weather gods start smiling down on us all (look to see if Phill is riding), the rain clouds start lifting and the days just get that little bit warmer.

Above all have fun, ride your bike and if possible, EAT

Vince

## CHARITY

Hello everyone, the riding season is upon us which means I will be looking at some charity rides and events as well as raffles/bus stops (which have so far been a hit at natter nights) so a big thank to those who have taken part.

We have arranged a charity Music Quiz on the 12<sup>th</sup> May 2023 starting at 7pm and being held at the Canvey Island Conservative Club, which is open to chapter members and non-members so bring your family and friends (over 18s only allowed in the Conservative Club in the evenings). Tickets are £5 per person with a maximum of 8 people per team. There will be a prize for the best score as well as a raffle (donation for prizes would be appreciated) the Conservative Club are donating a cheese board per table and some prizes for the raffle, so please if you can participate let me or any of the committee know ASAP so your table can be booked, payment for the tickets on the night. Please come along for a fun night and support our charity

## LADIES OF HARLEY

At last, we are just a few weeks away from spring, Tuesday 21st March!! The clocks will be jumping forward and the lighter evenings will be with us again! This certainly gives us all the opportunity we need to get out and ride a couple of times a week after work! I am also going to be riding my bike to work, twice a week...to get out alone and gain some more experience. I will keep you updated on how that is going!! I might have to get up 10 minutes earlier, just to get all my bike gear on!!!

February was certainly a very busy month and I have to say the weather was a tad mild, enough to get me out on my bike!

I attended the fantastic First Aid Course, organised by Mike, thank you Mike. The course was engaging, practical and extremely informative; it also included links to bikes and the situations which could, but hopefully not arise! The day passed very quickly and both the instructors were amazing, making everything so relevant!

I also attend the MCN Motorcycle show at the Excel Centre in London with the Chapter. I really enjoyed the show, I sat on many different types of bikes, even some brand names I had never even heard before. There was a Harley Davidson stand and it did give me a chance to have a sit on a 'Fat Boy', could be changing yet!!!

We had a great ride up, thanks to the road crew for looking after us all, fantastic to hear the bikes going up the drag strip!

I would like to say a HUGE thank you in advance, to all the Ladies and Gents of Harley who are planning to bring along cakes to our sign up day. It is marvellous and very generous of you all. A special thank you goes to Sue and Ann who will be getting you all to buy delicious cakes and savouries! Thank you again ladies!

So sorry I couldn't join you all, but I was attending the LOH Officers Meeting in Oxford at Harley UK & Ireland HQ! I will of course be telling you all the gossip and updates in the next 'Pondlife'. I even missed the 'Fish and Chip' ride!

I am very pleased to report that my bike has a few bits and pieces added to it this month, this includes a rack, sissy-bar, screen and a phone holder! My next project is to find some luggage storage for when we go off on our travels, which means I will be staying overnight! Gosh this is all so exciting!!

**I have also had some amazing news**, I am joining the Road Crew! My mentor / buddy will be our Assistant Director, Carl, who will be taking me through all the training and safety procedures linked to becoming part of the Road Crew. I will again, keep you posted on how my training is going and who knows, I could be crewing the back of the ride very soon!

Lastly or maybe, I should have started with this. I will be emailing out a list of all the events that I have been sent through, these events are for EVERYONE!!! I would love it if you could let me know, (possibly at the Natter Night, by email or when I see you) if you would be interested in attending some of the events and I will start arranging them!

Looking to seeing you all soon and ride safe.

Pam

## LAKESIDE RING

Back in October 2019 a concept sketch was produced by our Membership Officer (Carl Webb) for a Chapter ring. He promptly dropped it (like he does with most of his bikes), but then recovered and brought it to a Committee meeting to see if might be an interesting opportunity for Chapter members to show their support for the Chapter and their love of Harley Davidson Motorcycles.

Just a few weeks before lockdown the prototype was finished, (and is now firmly stuck on our Assistant Directors finger!!).

This prototype has been used to create a dye from which any number of duplicate rings can be produced. This unique piece of Chapter history is solid silver and each ring is cast as a one off piece by a professional jeweler and Silversmith.

The jeweler has cast 20 blanks ready for individual sizing.

The Chapter ring comes in two sizes. Bloody big and regular. The regular will cost you about £60. The bloody big, is about £120.

The jeweler, (Bill Murchie) has a shop in Ingatestone High Street, CM4 9EE.

He'd be happy to see Chapter members at their leisure for a sizing, you can then pick your ring up a week later. (If he's not too busy, he'll do it there and then for you).

A visit to his shop is also best if you'd like any one off changes or bling to your ring (I never thought I'd ever be writing that) or have a piece of jewelry of your own design that you'd like made.

If you wanted to call ahead, Bill's number is 01277 356950

**Payment is expected when you take delivery of your ring.**

## **Ride-out Guidelines**

Chapter activities are conducted primarily for the benefit of H.O.G. Chapter members. There are three categories of activities, identified as follows:

### **Member Event – (Rallies, Multi-day)**

Member Events are events that are only open to Chapter Members or to other HOG Members **with approval of a Chapter Primary Officer prior to the event date.**

### **Open Events**

Open Events are open to Chapter Members and others. **Guests must be approved by a Chapter Primary Officer prior to the event date.**

### **Closed Events**

Closed Events are open to Chapter members and one guest per member. **Riding guests will need approval of a Chapter Primary Officer prior to the event date.**

### **Chapter Primary Officers**

Director, Assistant Director, Treasurer, Secretary.

### **Guest Policy**

Guests are allowed to participate in Member Events if they are a current HOG member and pre-approved by a Chapter Primary Officer.

An Open Event Guest is permitted at the discretion of one of the Chapter Primary Officers.

**Each Chapter member is permitted to invite 1 guest, per event, to participate and may only have the same guest on 6 occasions in any membership year. If the event is subsidised then the guest will need to pay full cost.**

**Each guest must sign a Ride Disclaimer and the host Chapter member must take responsibility and must ensure that the guest abides by the Chapter rules.**

## MERCHANDISE

The Chapter has a range of branded merchandise that is available for members to purchase via the Merchandising Officer at anytime on

[merchandise@lakesidechapter.co.uk](mailto:merchandise@lakesidechapter.co.uk).

The current Merchandising Officer is Neil Searle-Jones and merchandise is also available at Natter Nights and on some rides.

## PATCHES AND PINS

Here is a photo of the patches and pins available from the Chapter. There are also some photos of suggested positioning of patches on your Cut (waistcoat).

Whilst the Chapter does not dictate the type and style of patches worn the Committee brings the following to your attention.

Members are advised that the wearing of a rear bottom rocker below the Chapter and HOG patches on their Cut is discouraged as this could cause strife with certain motorcycle clubs who may consider this a challenge to their perceived authority. Equally the skull style of HOG patch available could be perceived to be too close to certain other Motorcycle clubs' insignia and may affront their members.

## ROAD CREW FIRST AID COURSE

The Rules are that (if you want to do it by the book) you need to take a First Aid Course every 3 Years. I remember doing these with the FA, (Football Association) when I managed a youth football team and later when I qualified as a referee, and also with the AMA (Amateur Martial Arts association) when I qualified as a Karate Instructor. Other members of the Chapter have had First Aid Training within their respective professions, I know we have teachers, carers, and just about every type if industry professional (current and retired) in the Chapter who have at some time or another participated in this type of Emergency First Aid training. It's amazing to see how the approach and the types of assistance given has changed and evolved over the years. There comes a time when you can't help but think 'I know this' but believe me when I say, 'no, you don't'.

The Chapter booked the Road Crew onto a course in Southend on Saturday 4<sup>th</sup> February. Our (then) Safety Officer, **Mike Keogh** had arranged for us to do a course with Lazarus Training. It was a full day and the two instructors had tailored the course to accommodate injury more common to motorcycle incidents. No one wants to even think about being hurt while enjoying the Harley, the sunshine and the open road, so I'm not going to go into gory details. We dealt with the obvious First Aid situations, CPR, choking, heart attack, bleeding, stroke and a multitude of really simple procedures by which to ensure any patient would stand the best chance to survive and recover. This, of course, was reinforced with copious amounts of humour and micky taking, but never detracted from the seriousness of what we were being taught.

One of the Lazarus team was responsible for the instruction, the other was our 'victim'. It's amazing how the pressure of a training scenario is exponentially increased when a woman is lying on the floor, coughing up (fake) blood. There were several other play acting situations that we were asked to deal with during the day and the fact that you were dealing with a real person brought home the smallest sense of urgency and pressure of the situation.

The overall opinion from the Road Crew was that this was probably one of the best First Aid courses they'd ever been on. There are plans to book Lazarus again for a Chapter course for any members who want to participate.

While no one likes to think about an accident ever happening, it's good to know that there will be at least two people riding with you who have been trained to deal with the worst. Here's to hoping we never, ever, ever need them.

## CABIN DAIRY

Starting to get a bit stir crazy during these winter months with very little riding. So it was great when on Saturday 18 February we were able to get out on the first Chapter ride of the year to the Cabin Dairy in Burnham on Crouch, the oldest cafe in Burnham. Meeting at the Halfway House, there were 13 members on 11 bikes who turned out to blow away the cobwebs. Weather was dull but hopefully would remain dry for the day.

We set off along the A127 coming off at the Basildon junction and cutting across country to Wickford. Then we headed north through Rettendon, Woodham Mortimer and dropping down to Latchingdon. We were then into the main part of the ride, the twisties of the Dengie. There are some lovely rides around this area with straight roads leading into tight 90 degree bends. Heading due east to Bradwell on Sea and then a little further to the RAF memorial at Bradwell Bay. A quick group photo and we were off again heading south around the twisty roads to Burnham. We arrived at the Cafe and all found parking close by. Hot drinks and sandwiches ordered and chips for a few. Although we had to wait a little while, it wasn't a problem as we chatted away, discussing what had been happening over the winter months. All in all a good ride, you know it is when a local of over 30 years says we had travelled roads he had never ridden down before, result.

## BIKE SHED

**SATURDAY 25/02/2023...  
12 CHAPTER MEMBERS...  
BRAVE THE COLD ON ROUTE TO THE BIKE  
SHED...**

Saturday morning **twelve** Chapter members on eleven bikes met at Tim Horton's at the Lakeside retail park.

'Bracing' is probably how I would best describe the morning's temperature, it was in the sunny spots and hot coffee we trusted until such time we hit 1030, once having been fully briefed on the ride ahead we hit the road. My crew for the day; Ashley Smart, riding in a sweeping position and Rob Bint, as the last man we rode in a buddy style keeping the bike behind in eyes view.

We left the retail park and headed along the 'old A13' past the Circus Tavern and joined the A13 at Wennington, before taking a simple ride into London, along to the Commercial Road and into Shoreditch.

Whilst at the final set of lights before entering Old Street, our ride's tail end crossed the beginning of the ride, no harm done, a missed turn and they crossed our paths, nothing that a quick spin around of three bikes couldn't sort out – always a good point over breakfast.

Total time in the saddle about 45-50mins, and the undercover parking at The Bike Shed was plentiful.

Another Chapter member has made his way to TBSH separately, a quick natter and breakfast arrived in good time.

The venue attracts bikers, travellers, hipsters, movie stars as well as normal people... there is something for everyone and food has always been great. If you missed out this time, join us on the next.

Thanks for reading, hope to see you out there soon.

*Dany!*

## MCN BIKE SHOW

On a rather nippy but dry day (strange as Rainman was with us) a few brave souls made the short blast up the A13 to the Excel for the yearly MCN motorbike show.

We were all hoping the show was going to be better than that of previous years but alas it wasn't much to write home about.

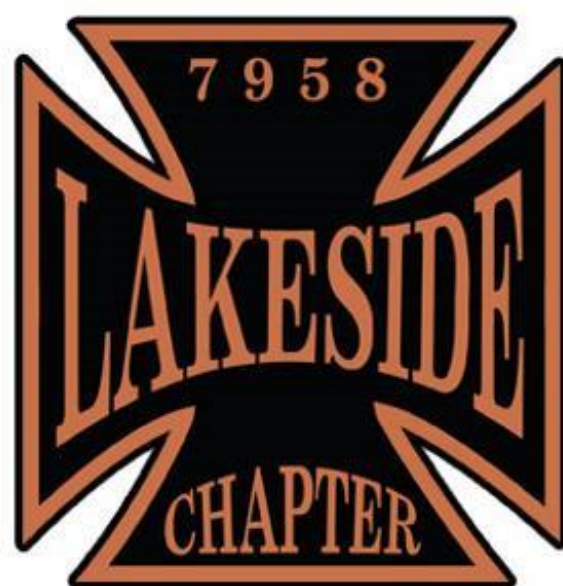

We all spent some pennies on some cool bike stuff and sold a kidney for some food and drink.

We all then met up with Amy on the Harley stand and talked everything H.O.G.

Phill and myself then spent an hour trying to get our old Head Road captain's (Grant) bike started but to no avail, should have stuck with Harley mate instead of BMW lol.

**There are various channels of communication regarding ride-outs and upcoming trips, either local or abroad - Pondlife, the Chapter Website, Facebook and TeamUp.**

**At times, due to circumstances beyond our control, rides may be cancelled/changed/postponed at very short notice.**

**If requests are made for you to show your interest in a particular event, please only do so via the requested means and please do so within the time frame requested. This is very important and will enable the road captains to accurately and efficiently plan the upcoming ride/event**

## NATIONAL MEMORIAL ARBORETUM RIDE

An opportunity to spend time at the National Memorial Arboretum, exploring the many memorials that are on site, new ones are being added every year. This is a very sobering place to reflect on the sacrifices that have been made for us to live the life that we do.

Saturday 1 April we will travel mainly via motorways to arrive at the Arboretum early afternoon, there will be a stop on the way. Spending approximately 4 hours at the venue before making our way to our overnight stop.

Tickets need to be booked in advance, but currently our date is not available. Please let me know if you will be participating in this weekend and I will advise when our date is available to book.

Email: [msrclakeside@gmail.com](mailto:msrclakeside@gmail.com)

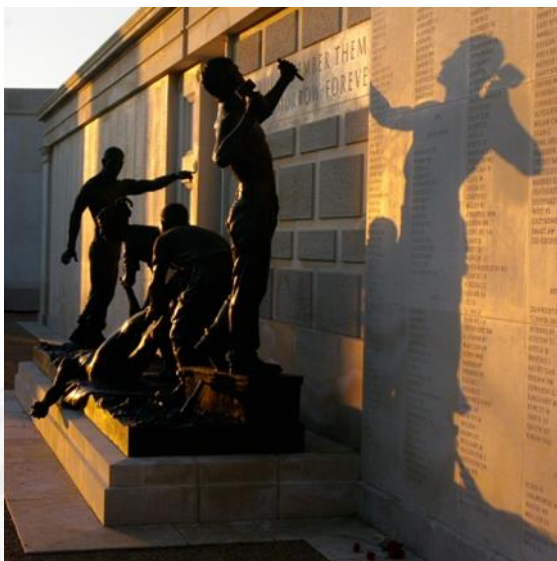

The link for the Arboretum website is: <https://www.thenma.org.uk/>

Overnight accommodation will be at the Holiday Inn Express in Nuneaton, link to book rooms is: <https://www.ihg.com/holidayinnexpress/hotels/gb/en/nuneaton/xnvuk/hoteldetail>

Accommodation is required for Saturday 01 April 2023. Current price is £78.00 for a room including breakfast, cancellable until the day before, suggest you use this option.

Sunday after breakfast we will take a leisurely cross country ride back home. Arriving mid-afternoon.

Approximate round trip distance is 300 miles.
